The committee reviewed the answers to the questions submitted by Council Member Steenrod concerning the vouchers dated September 20, 2002.

The committee then reviewed the Conceptual 2003 Budget Plan in a format comparing the original model to the revised. The committee agreed to recommend approval of the revised plan to council.

Council Member Benjamin was interested in discussing the Mt. Rainier Swimming Pool and wanted to know how it would fit into the budget process. City Manager Piasecki informed the committee that it would be part of the discussion concerning policy issues to be discussed in early November.

Council Member Steenrod felt it was important to receive a Litigation Status Report quarterly. This would allow awareness of trends.
