Summer Concerts lessons learned so far

We should always have leadership at the concerts above and beyond the lead and co lead. We need to have more than 2 volunteers.

We now have a script and notebook to help us at the night of the event.

We have not had a single complaint about anything everyone is having a great time.

If you are not there to help volunteer then you can enjoy the beer garden. If you are representing the organization it is not a good idea to be in the beer garden.

Lead/Co-lead

7/1 - Lisa Maddry – Collette - COMPLETED

7/8 - Kristy Dunn – Luisa Bangs - COMPLETED

7/15 - Jean Munro – Collette – Lisa and Luisa and Ekk floaters

7/22 - Anna Brodie – Collette & Jean floaters available?

7/29 - Ekk S. – Jean - Nancy floaters available?

8/1 (Shakespeare) - Kathy/Luisa/Nancy – need to call Kathy to confirm floaters available?

8/5 - Luisa – Jean floaters available?

8/12 - Collette – Kristy & Jean floaters available?

Totem Restoration

We cannot move forward unless we are willing to raise money and fundraise we need to find out the Arts committee is involved.

The tradition of totem poles is they are built to crumble and once they fall there is a bon fire and celebration. Should we think about putting them up again and let them fall naturally. Or do they need to fall naturally, we should do more research and look at other options beyond restorations.

Concert experience enhancement

Idea to bring in artists to also enhance the experience. Could be jewelry makers, sketch artists, painters, water color artist. We should think about this for future concerts and next season, or pilot an artist night, to see if it is viable. Would not be coordinated by Shannon.

July 18 parade

Lisa will be walking with Jean. Lisa will be handing out concert and Art's Gala
