Who will be there to help? Luisa, Collette, Kathy, Jean, Nancy, Ekk, John.

Luisa is going to put a list out for all of the different positions.

Need to contact the MaST center to find out when the doors will open, so we know when we can come and set up. We will be asking for a contact number for when we get there and if no one is there.

Kristy will be adding on FB the cost of 1.50 for the chowder and drink and Patrice will forward out to all of the schools.

Kristy and grant funding Idea

Our Town Grant, smallest grant would be \$25,000. If we could make this work it could be amazing. Trying to figure out who can help write the grant. Kristy, Kathy, Jean and Luisa are willing to research and help.

Volunteer and Prospective Arts Commissioner cultivation

4 incumbents asking for reappointment.

We will have a Chair, Vice Chair, and Secretary.

Do we want to remain as one commission or separate into 2 commission again.

The Commissioners believe we need to continue with this format and try it before changing back.

Patrice believes we need to do a better job at bringing more detailed small committee information back to the monthly meeting.
